CHARGE UP

GOVERNMENT GRANTS FOR WORKPLACE ELECTRIC VEHICLE CHARGING INFRASTRUCTURE

The WA Government is driving a brighter energy future by providing grants to co-fund the cost of electric vehicle (EV) recharging infrastructure. Charge Up Workplace EV Charging Grants are designed to make it easier and more cost effective for small to medium enterprises, not-for-profit organisations and local government authorities to install EV charging equipment at their workplace.

WHO IS ELIGIBLE TO APPLY?

Applicants who will use the EV charger to charge during daytime hours (9am to 5pm) or overnight (9pm to 9am). In general, charging that occurs mainly during evening peak of 5 to 9pm will not be supported by the grant program.

Applicants who will install the EV charger at a location within Western Australia.

APPLICANTS WHO ARE ONE OF THE FOLLOWING TYPES OF ORGANISATIONS

NFP: Not-for-profits registered with the Australian Charities and Not-for-Profits Commission (ACNC).
